# HOW DO YOU ORIENT NEW EMPLOYEES?

(CHECK ONE)

- Sink** (i.e., let them join the 75% of U.S. employees who disengage-“quit and stay”.)
- Swim** (i.e., harness the energy, anticipation and enthusiasm they bring to a new job.)

New Employee Orientation is your first opportunity to demonstrate your organization’s strategic balance between business results and human capital. Inspired Training Institute’s proven dual design process will create or enhance your orientation program to ensure a fun, educational and memorable experience.

- ✓ Assimilation of new employees to your organization’s culture
- ✓ Return on your human capital investment
- ✓ Retention of new employees
